Saint Joseph College Rensselaer, Indiana

Sister Carol Ann Gambsky taught piano lessons, band (5-8) and general music (preK-8) for twenty-five years prior to her service to Holy Family Conservatory of Music. She taught music in Arizona, Hawaii Nebraska and Wisconsin and during those twenty-five years also served as church musician organist, choir director, and liturgist.

In 2013 Sister Carol Ann became the Administrator of Holy Family Conservatory of Music and presently continues in that role. She teaches private lessons on piano. She loves teaching students of all ages on instruments that include piano, woodwind and brass instruments particularly the French horn. Sister enjoys performing the French horn in Wind Ensembles. She often plays the organ, piano and flute as a Church musician.

During Sister Carol Ann's free time her favorite activities are to create home-made cards, cook, bake, or watch old episodes of "Columbo" or "Matlock". Sister's students appreciate her ability to guide, encourage and assist them to make steady progress. Sister Carol Ann's greatest joy is to help her students to become a fine musician as well as caring person.
