Violin & Piano Group Classes/
Piano, Violin, Viola, Cello, Percussion,
Guitar, Harp, Wind Instruments, and
Voice Private Lessons

All of us are going through a very difficult time. We need to stay inside as much as possible to minimize the spread of COVID-19. Holy Family Conservatory has moved to offering on-line lessons and group classes. Most of our students are eager for this and continue to enjoy learning music; and parents are so glad their children are occupied making music during this time of Covid-19 Pandemic. Most adult students are also taking online lessons which are going very well. The registration for Summer Session 1 is now open. [On-Line Registration](#)

Since so many businesses are closed, we do realize some students and their families may experience some financial difficulty. If this is you, please contact Sister Carol Ann Gambsky or Dr. Stanislava Varshavski. We are here to help you as much as we can. Please talk to us so we can work out a solution for you.

Please welcome a new Piano Instructor

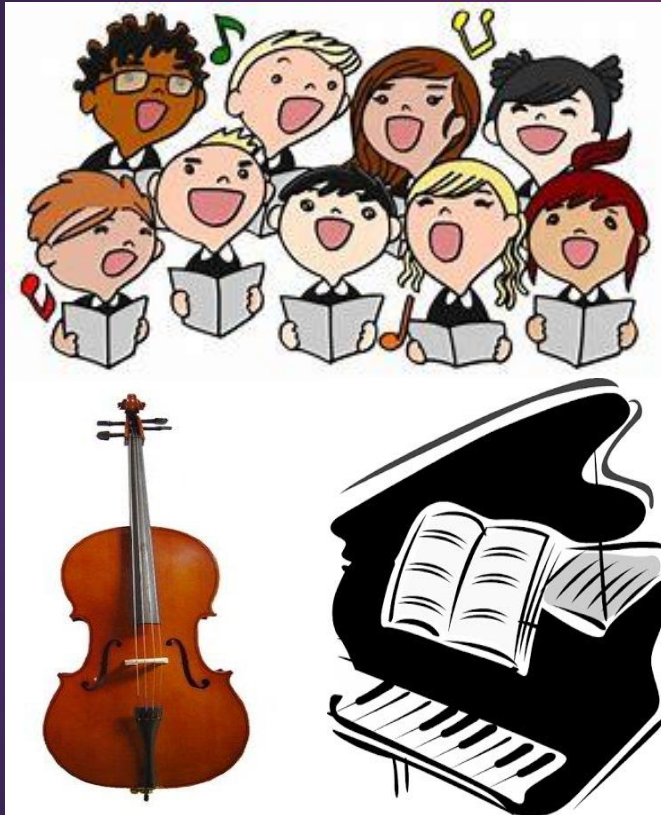

We are very excited to introduce our new piano instructor, Ms. Bonnie Shimulunas. She is a graduate of UW-Madison and Holy Family College, where Ms. Shimulinas received a pedagogy certificate. Ms. Shimulinas never stops learning. She keeps taking piano master classes from different teachers as well as attending workshops offered by various music organizations. Ms. Shimulinas uses an individual approach to her students. She likes to try different teaching methods that will work the best for each individual student.

Ms. Shimulinas enjoys every opportunity to share music with others. She performs at church services, funerals, weddings, and other events.

Ms. Shimulinas, welcome to Holy Family Conservatory of Music!
